

***Are you leading a professional learning community?
Do you have priority goals for your Centre?
What progress have you celebrated this year?
Have you planned your professional learning for 2017?***

Need support, look no further - this is what the people at InterLEAD are so good at!

Meet one of our team, Natalie Donald

Natalie is passionate about assisting Early Childhood organisations in reaching new heights by striving for excellence in all areas of this education sector. She has experience in both management and teaching positions and enjoys utilising this practical knowledge in both her consulting work and Masters study she's currently undertaking.

First and foremost she seeks to support you and your team by tailoring professional learning to your individual needs. Areas of particular interest are Leadership Support & Development and Teacher Mentoring.

If you're looking for external support to help challenge you in the next phase of your professional learning, whilst also ensuring a robust appraisal / re-certification process, then contact Natalie today.

Natalie is based in Auckland and works in Centres throughout the North Island.
