

# Developing Outstanding Middle Managers - Day Three

Suitable for Primary and Secondary School Teachers

Lunch, refreshments and manuals included

MARLBOROUGH, BLENHEIM - One-Day Workshop  
9:00am-3:00pm

DATE: **WEDNESDAY 20 FEBRUARY**

*It was great to spend time together last year. Conversations were rich, and we were all intent on improving our leadership capabilities. What have you since been exploring in terms of transforming your leadership? In Day-Three of Developing Outstanding Middle Managers we will reconnect and explore new ways of working as we continue this journey of transformation.*

**Schools are set to change, is your leadership future fit?** The call for transformational leadership has increased significantly. The many opposing tensions and changing structures organisations are facing bring both greater risks and fresh opportunities. How can you step up to model the way forward? What makes a transformational leader?

Join us as we inquiry deeper into what it is to be a critical thinker as a leader:

- Explore the importance of criticism in growth
- Analyse reflective practice with a critical lens
- Strength understanding of collaboration with a stretch
- Revisit and reenergise by revisiting thinking from the previous two workshops.

**VENUE** REAP Marlborough, 19 George Street, Blenheim

**DATE** Wednesday 20 February

**INVESTMENT** \$220 +GST Per Person
